Kellogg's Korner

AUGUST 2008

A letter from the Lay Director

Hello Wonderful Emmaus Community,

Hope you are all having a good summer. We had a wonderful Chrysalis flight last month. Everyone seemed so excited at the Hoot/Gathering. It was good to see so many of our Chrysalis/Emmaus community show up to meet with Scoofer Jordan from The Upper Room. He met with the board on Saturday July 12th for several hours before the Hoot. He was very kind to us but there are several things you will see changing in our community. The Board will meet on this next month before we make any changes. We will try to keep everyone informed. Every change that will be made will be for the benefit of the Pilgrim. We hope some of the things he told us will help strengthen our Community.

Don't forget our Chrysalis/Emmaus picnic on August 16th @ Mike Miller Park @ 4pm. We will have lots of food & fun. Tango the Clown

will be making balloons, Full Armor (The Chrysalis Band) will play, there will be Messy Games, and lots of fellowship. Bring a dish, a two liter, and lawn

Purchase Area Walk to Emmaus

chairs. The meat and paper products will be provided.

It is not too early to get your Emmaus applications in for the fall walks. Walk 94, September 18-21, with Bill Hay as the Lay Director, and Walk 95, September 25-28, with Rhonda Sullivan as Lay Director. Please be in prayer for both of the walks and the Pilgrims and Teams.

God Bless You All,
Tammy Carr

Letter from the Lay Director

Dear Community:

We need your help!! One of our community's MOST FAITHFUL servants, Cherry Brown, is stepping down from the position of Chrysalis registrar at the end of the January flight. Needless to say, this leaves a BIG void on the Chrysalis board. The registrar is the first person that the caterpillars and their families have contact with, so it is a big job right before each flight each year. But it is also a VERY rewarding job. You get to know the youth and their families. The registrar is also a part of the Chrysalis board who attends monthly meetings..

We need for the community to be in prayer about this posi-

tion. If you are interested, or if you know of someone you think

would be good in this position, please contact me, Debbie Bushart, at 270-527-8969 or dbushart@bellsouth.net. We would like to have the new registrar in place before the end of the year so that they can work with Cherry for the upcoming flight.

There are two other areas that are worth mentioning also. We need for you to start praying NOW about who to sponsor for the Jan. 17-19 flights. The deadline for registration is Jan. 3, but we need to have applications in NOW so that Cherry has time to prepare.

The other area to pray for is such a simple request! We need more community members to come serve meals dur-

ing the Chrysalis weekend. We don't want our kitchen team to be exhausted. It helps TREMENDOUSLY if community comes to serve meals and help clean up afterwards. Start looking at your schedule NOW and blocking out a few meals!

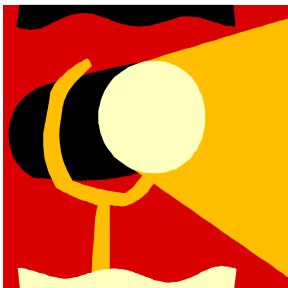

Pray, Pray, Pray.....and Fly with Christ!

Debbie Bushart

*When he was
at the table
with them, he
took bread,
gave thanks,
broke it and
began to give
it to them.
Then their
eyes were
opened and
they
recognized him
Luke 24: 30,31*

Spotlight On: Agape

You probably remember from your own walk a gift of agape that meant something to you. Or maybe it just was that there was so much of it! Agape is one of the ways the community shows it's love and support for the pilgrims/caterpillars during their walk/flight. We need lots of it for each walk and

flight. In the past we have labeled the agape so we would know who it came from. We are going to ask you to please **NOT** put a label on agape in the future. **If you have already got your agape ready and labeled for September, that's fine.** But for future walks if you could bring agape with no labels we believe that the pilgrims/caterpillars will still have the experience of knowing they are loved and supported

by the whole community and it will help keep the focus on the pilgrims and caterpillars where it belongs. We need all the agape we can get for each walk. We are blessed with a loving and gracious community who provides well for our pilgrims and caterpillars. Please keep up the good work and be an essential part of the way God loves His people.

Kellogg has spent the month of July visiting the good people at Jackson's Chapel. Is it your church's turn to have Kellogg visit? Come to the picnic at Mike Miller Park and if your church has the most people present he will go home with you until our next gathering!

Bulletin Board

Is your church having a program you would like others to know about? How about a mission project you are planning? A new Bible Study or seminar or retreat? If you will submit items of interest, we will post to the bulletin board and let the rest of the community know. Remember to tell us: who, what, where, when and why. Also if there are any cost involved please let us know about those. Remember to watch the bulletin board for news you can use!

Tango the clown at last years picnic.

Newsletter Information :

newsletter@pawte.org

In all of eternity and all of the universe and all space and time, God chooses to reach out and love each and every one of us. He doesn't love us because of what we do for Him, or how we live or even that we choose to love Him back, but simply because we are His children, His creation, and He made us to be in relationship with Him. I am a recent newbie to Facebook, an online community where the high school and college kids having been hanging out for years. I am finding a lot of my

friends so I am apparently not the only 'grown up' to wander into town. When you fill out a profile, the site begins to find you friends. They can write you notes and send you gifts and pop up and say hello. It's very much like joining a church and the Emmaus community. Here, God finds you friends who can send you cards, bless you with gifts and pop up to say hello. Only with God, He is not just increasing His network He is welcoming another child home. If you think about it,

Thoughts to ponder

it's almost outrageous that God should love us enough to give us the freedom to choose whether we will respond to His love and love Him back. I sure don't like it when people I love, don't love me, or treat me very nicely. What a good thing God doesn't love like I do. All in all, we do have an Amazing God. It is good to remember and give thanks.
