WOMENS CANDLELIGHT CHANGE

Due to a wedding at Hardin Baptist, the **women's candlelight on May 1 will be at Dexter Hardin United Methodist Church**. The time will still be at 8:30. The men's candlelight will also be at 8:30, but will remain at Hardin Baptist.

The Emmaus community would like for each and ever pilgrim to feel special. We do not want anyone to feel slighted or left out. We understand that when you bring special gifts or flowers to your special pilgrims or team members at candlelight, you are just showing people that you love them. This is completely understandable, but please remember that we strive during the weekend to make **every** pilgrim feel unconditional love and acceptance. The entire Emmaus movement has requested that if you would like to give special gifts to your friends, please wait and give them to them in private after closing. We pray that this does not offend anyone. We simply want all of our pilgrims to feel the same acceptance. Therefore, please do not bring gifts and flowers to candlelight. As usually, your understanding is greatly appreciated.

SPECIAL AGAPE REQUEST

Toilet paper and Puffs brand tissues are just a few of the many things needed for the upcoming walks. Keep in mind that snacks and drinks will also be needed throughout the entire weekend. Of course, don't forget those fun little agapes we all enjoyed on our walks. You may bring your donation to Send-off, Candlelight, when you come to serve a meal, or send it with a friend. Any donation will be greatly appreciated.

FEE CHANGE

Effective June 1, 2004, the Emmaus Board has voted to increase the Emmaus Walk fees. This increase was needed to cover the expense of the weekends. Clergy, laity, and pilgrims will pay \$75 for the weekend. Of course scholarships are available for those who need them.

A NOTE FROM CHRYSLIS COMMUNITY DIRECTOR CHERRY PYRON

Butterflies continue to fly high from the Chrysalis flights of the Purchase Area Chrysalis community, thanks to the grace of God and the loving kindness of so many, many people in the community! Lay directors Mitzi Guhy and Mike Gentry for Flight #22 are working on team formation, and we all ask for your prayers for those who ask and those who are asked. Please remember that everyone cannot be on this team coming up, but we can all still be vital parts of the flight, which will be June 26-28, first through our prayers, then through our service throughout the weekend to make the 72 hours as memorable for the caterpillars as it was for each of us. Please help butterflies in your area maintain accountability after their weekends through reunion groups; adults, we have to model this essential practice and help the youth organize their own groups. Also, please pray for God's voice to name those whom you should sponsor; please remember these youth should be active in a church, young people who already know God and are seeking to grow stronger in their faith. Our churches and communities will be better places as we sponsor well through our sincere seeking of God's will.

Fly with Christ,
Cherry Pyron

A NOTE FROM EMMAUS COMMUNITY DIRECTOR DEBBIE BUSHART

The board would like for you to pray about something! If God puts it on your heart to give a 4th Day talk at a gathering, please let us know. I know it takes us out of our comfort zones sometimes to speak in front of people - but remember - God doesn't call the qualified - He QUALIFIES the CALLED!!!! Please contact Shann Moore (251-0295) or Debbie Bushart (527-8969). Have a blessed day!!

Debbie

A NOTE FROM EMMAUS/CHRYSALIS SPIRITUAL DIRECTOR KEITH TILFORD

Springtime! It allows us to "wake up" after the winter months. All around us God shows us signs of renewal. It is up to us to take notice of His message to us and renew ourselves to Him and to doing His work. At the last gathering it was a little disappointing that not too many made an effort to attend. I make a challenge to you to make springtime your time to revitalize your "Walk to Emmaus" experience and renew yourself to again become an active part of the Purchase Area Community.

The Walks are upon us so we have the opportunity to pray, serve, refresh our excitement of our original walk and once again meet Jesus on the Emmaus road. I hope to see you at a Send Off, Candlelight or Closing! DeColores!

Keith
