## A letter from the Lay Director

Dear Emmaus/Chrysalis Community,

The board wants you to pray about a few things:

1. We need a new Registrar for Chrysalis. If you are interested, call 559-0494. It is a very fulfilling job!
2. We need caterpillars for flight #30. As of the last meeting, we had the possibility of 9 girls and 2 boys. As you know, we cannot have a flight with such low numbers. Please be talking to the youth in your family, your church, and your community. Contact Cherry Brown at [cherry.brown53@att.net](mailto:cherry.brown53@att.net) if you have any questions about sponsoring.
3. Flight #30 Lay Directors, Emily McCollum and Chad Hicks, are making final selections for team #30. Please pray that God's will be done in these last preparations.

4. Please mark your calendars for January 17-19. Can you find a time to come serve and support our caterpillars/butterflies?

5. We especially need help cleaning up on Jan. 19. Lots of things have to be swept, vacuumed, carried upstairs, moved to different rooms. We need strong arms and good sweepers!

We know that as long as we bathe this flight in prayer, God's Will will be done. Keep on praying!!!!

I'll see you January 17-19 if not before.

Fly With Christ,  
Debbie

## Project Christmas House

Do you want to go on a mission trip but have never known how to go, or how to prepare or what to take? Have you wanted to go but been unable to because of work? Now is your chance!

This year from December 28 to January 3 there will be a group of great people from our area go to Abbyville, Louisiana to help clean up from flooding and to build a house. You could be a part of this team and help make

a difference in the life of a family who is beginning to feel hopeless.

What do you need? The willingness to work hard and have a heart for helping those in need.

Want to know more? Great! Come to Reidland United Methodist Church on **Saturday, November 8 at 2:00 pm.** Bill Carr will conduct a meeting discussing the specifics of the kind of work that will be done, the kind of tools that will be needed, where we will be sleeping, what we will be

eating and all of the things you will need to take with you. Bill will tell you how we will get to Louisiana, how much money the trip will cost and answer all of your questions.

Come to the meeting, talk to people who have made a mission trip and find out how rewarding it is to go and work on a project that will change someone's life.

There is no better way to welcome a new year than to start it serving God by serving others.

Questions? Call Bill Carr at #270-667-6221.

# Letter from the Lay Director

Hello Wonderful Emmaus Community,

I hope you are having great Fourth Days! I hope we see you at our November gathering on November 1 at Bethel Christian Church, at 7 pm. Bring a snack and a 2 liter drink. Your whole family is welcome at our Gatherings. I would also like to tell you about our Christmas program this year. Yes I said Christmas. We will have our Christmas Gathering at Reidland Methodist Church on December 6 @ 6pm. We have a potluck meal at our Christmas Gathering and then have a program. The Program this year is EMMAUS HAS TALENT. We hope to have members of the community sing, perform a skit, play an instrument etc... We will have judges just for fun and I am sure No One will get kicked off the stage. Please call or email me to sign up to be part of the fun.. btbc@att.net 898-8398

I know if you were at Candlelight this fall you noticed some changes, some good, some not so good. The board has voted to make some of the changes permanent and some will not be. I want to assure you that we have prayed about these things over and over and we think we have come up with a plan that will benefit the Pilgrim, but also be more personal. I hope we have come up with a happy medium.

Please pray for your Emmaus Board and our Community. We hope to see you soon.

Tammy Carr  
Community Lay Director

## Spotlight On: Sponsorship

Next to having your own Walk to Emmaus experience, what could be better than to send someone you feel is ready for an Emmaus or Chrysalis weekend?

To sponsor someone is to give them the gift of having an encounter with God where they can experience agape love and

be challenged to grow in faith and love themselves. It's a great gift for someone who is ready to receive that. Please prayerfully consider who you know who would benefit from this time.

Remember, the Emmaus weekend or Chrysalis flight isn't about fixing people or straightening out problems. It is a time for people of faith

to move deeper. Be sensitive about that as you ask people to go on a walk or a flight. Is this person ready to get deeper? When we send people who are not ready to go we could frustrate those on the weekend who are ready to go father. It also frustrates folks who aren't ready to be there. We want this weekend to be a gift and a blessing. Pray and God will open the right doors!

## Michael Card to Appear in Concert at Benton First UMC

Christian recording artist and author Michael Card will present a concert of Christmas music on Sunday evening, **November 30 at 7 pm at Benton First United Methodist Church in Benton, KY. Tickets are \$8.00 and very limited. Call 270-527-3990 today!**

Over the last 25 years, Michael Card has recorded over 20 albums, authored or co-authored over 14 books, hosted two radio programs, and written for a wide range of magazines. He has penned such favorites as "El Shaddai," "Love Crucified Arose," and "Emmanuel," -- selling more than 4 million albums and writing over 19 #1 hits.

Although music provided him the opportunity to share insights gained through extensive research, writing songs alone limited what he has felt called to share. Card has frequently agonized over having to condense the vast depth and richness of scripture into a three-minute song. And so he fell, quite naturally, into the field of book writing where he has garnered numerous awards.

Michael Card produces the weekly radio show *In the Studio with Michael Card* and is broadcast on many outlets across the US including Moody Radio stations and its affiliates. Each show features Bible commentary, a look at the creative process, and demonstrations of faith lived out in community.

"The one thing we strive to achieve is to reach people where they are," explains Card. "Someone who is impacted by music may not be affected by reading a book, someone who loves reading might not care about talk radio, but by providing all of these things, whether it's my work or the work of someone else, there's a greater chance of reaching more people, who in turn will reach out to others in their own community."

The concert is sponsored by the United Methodist Churches of the Paducah District.

Kellogg made a new trip to Milburn United Methodist Church! Here he is in worship on Sunday morning, looking very handsome in his Sunday best. Would you like to the chance to submit Kellogg's picture in your Sanctuary? Come to Bethel Christian for the gathering this week all of the rest of your church members. The church with the highest attendance gets to take Kellogg home.
